

JUNCTION BOX

MODEL BCJ4000

FEATURES:

The Model BCJ4000 Junction box from Blue Ribbon with an IP66 rated corrosion resistant enclosure is designed specifically for water and waste water applications. The VALOX construction, non-metallic screws and hydrophobic vent filter provide a maintenance free option to sheet steel J-boxes and the convenient 3 pole terminal strip allows for simple hook-up with the Blue Ribbon BCP3000 lightning surge protector and Bird Cage level transmitter.
